

Spain, a country made of art,  
passion, tradition and innovation,  
gastronomical wealth and a wide  
range of food that we share with  
the world.

# #taste GASTRONOMY

**WINE.** We enjoy a wide range of wines with more than 130 figures of differentiated quality.

**PRESERVED FISH.** Pioneer in elaboration. We are worldwide reference for its quality and variety.

**BREAD.** The type of flour or the other ingredients, the baking process and the cooking, allow us to have more than 300 types of autochthonous breads, any one of them with a noteworthy sensory characteristics.

**IBERIAN PRODUCTS.** Coming from our indigenous breeds, thanks to a unique Mediterranean ecosystem, we elaborate exquisite products.

**ORGANIC FARMING.** Spain is leader of the EU in Bio surface

**CHEESE.** Spanish cheese is a splendid mosaic. Our orography and a high number of dairy cattle breeds, provide a diversity of textures, flavours, smells and colours.

**EXTRA VIRGIN OLIVE OIL.** Its taste, variety and quality make us a global leader country in production of olive oil and table olives.
